She'll come sit on our laps with it.
It's a dog toy like this
nom nom
Recently, she's been playing with a pig-shaped cushion a lot. She likes to chew (more like suck) on the ears.
We've had her for about a year now.
she rubs it with her paws
Aka, a malti-poo.
Beige fur
She's a Maltese and poodle mix.
she has white fur from her chin to her belly
ears are light brown
her back legs have whitish fur
ROLLS OVER
She's turning two this year.
I've got a pet dog.
YOU CAN CALL ME MARI.
HELLO, I'M FUJIWARA'S PET
We took her to the vet a lot.
Fwee
Fwee
The first time I heard her snoring
SHE... SHE'S MAKING THIS WEIRD WHISTLING NOISE!! WHAT IF SHE'S SICK!?
It was my first time owning a dog, so I was over-protective of her at first.
oH No
oH No
← Bad pet owner
She was really docile and fit right in the dork's palm
There were three puppies, and we got the smallest one.
Also, it turns out
She was only two months old
In September of 2009, my family decided to get a dog, so we went to a pet shop! We were looking for a brown poodle, but my mom fell in love with the malti-poo at first sight.
she was pretty cute, so we ended up getting her!
Look
I LIKE THIS ONE!!
mom
we couldn't get her away from the window
Whenever I'm tired, I always feel better after seeing my dog. Animals are wonderful ☆ I love drawing her, so I think I'll probably draw her again in volume two. *smiley*
Even in the bathroom
photos
a calendar
Another thing that's change is the amount of dog-related stuff we have lying around now
She sleeps in weird poses like this.
Bed
Fwee
Pee
Pee
ACTUALLY SLEEP IN THE BED, OKAY?
I love hearing stories about people's pets. Tell me about your pets sometime too, okay?
IT'S SO CUTE~
Even if it's not a dog!
Also, I always feel like talking to people I see out walking their dogs, even if I don't know them
DO WE HAVE TO?
Get a dog.
...is totally all over her.
BEFORE
DADDY'S HOME!!
MARI ~!!
AFTER
YOU'D BETTER LIVE A GOOD, LONG LIFE, MARI~
I'm glad
ROLLS AROUND
Now that she's used to us, she's been super perky and healthy. We all love her a lot! Even Dad, who wasn't all that excited about getting a dog...
